P.O. ISM -826004, DHANBAD (JHARKHAND)

About MOOCs

Massive Open Online Courses (MOOCs) has gained momentum all over the world to provide unlimited participation and open access to quality education via web. In India, MOOCs is becoming a popular teaching-learning tool with their cost effectiveness and potential to reach a large number of learners. MOOCs provide us the opportunity to broaden the access to quality education at all levels.

The University Grants Commission (UGC) along with the HRD (Human Resource Development) Ministry has launched the MOOC program in India for higher secondary, bachelors and masters degrees. This will cover a wide range of subjects that may or may not be taught in regular campus studies. A new portal for MOOCs named '**Study Webs of Active-Learning for Young Aspiring Minds**', in short, **SWAYAM**, presents students with an opportunity to study anything from a list of 2000 courses.

Objective of the Workshop

The primary objective of this workshop is to introduce MOOCs pedagogy and the open source MOOCs platforms to the Teachers of B.B.M.K. University, Dhanbad. Participants will develop their insights into the challenges and potentials of MOOCs. They will acquire practical understanding of the existing open source MOOCs platforms, which helps them to develop effective MOOCs suited for their audience.

Resource Person: Prof. K. Srinivas

K. Srinivas is Professor of ICT at National Institute of Educational Planning and Administration (NIEPA) a Deemed to be University under Ministry of Human Resource Development (MHRD) Government of India Institution in New Delhi.
